This Request for Pricing (RFP) is not a tender call, and the submission of any response to this RFP does not create a tender process. This RFP is not an invitation for an offer to contract, and it is not an offer to contract made by the Portage la Prairie Regional Landfill. This RFP should not be construed as an agreement to purchase goods or services. The Portage la Prairie Regional Landfill is not bound to accept the highest price or any proposal of those submitted. Proposals will be assessed using evaluation criteria and a corresponding evaluation matrix. The Landfill will be under no obligation to receive further information, whether written or oral, from any individual or company that submits a proposal in response to this RFP.

By this RFP, the Landfill reserves to itself the absolute and unfettered discretion to invite submissions, consider and analyze submissions, select short-listed individuals or companies, and attempt to negotiate an agreement with the successful individual or company as the Landfill considers desirable.

The D5H LGP features are defined as follows:

- Undercarriage was replaced at 15848 hrs
- New transmission pump at 15782 hrs
- Rebuilt transmission at 16085 hrs

- 18244 hrs
- Service Manual provided
- All maintenance records will be provided.

All Sales will be final.

It is understood that the buyer is responsible for the pick-up and hauling of the equipment. The purchaser shall be the sole determining organization as to the award of the bid and the highest or any bid may not necessarily be accepted.
